Attached is the revised proposed Charter for the ORD MAG. Also attached is an Instrument of Ratification for the ORD CSP to sign or not to sign, based on their deliberations at their Fall 1979 meeting.

I sent copies of my original Charter to 18 people in ORD. Fourteen of the eighteen people responded (verbally or in writing) concerning changes necessary. Clearly, I have not assimilated the suggestions of all 14 people but I believe this revised Charter reflects a reasonable compromise of people's views.

Would you please assume the joyous task of getting this on the CSP agenda and whatever else need be done to secure the Panel's deliberations.

If there is any more you need from me on this, let me know.
